

Initial Plan for the Honors Project

(To be submitted by the student to the ICS Honors Program Academic Counselor)

Student name and ID#:

Faculty Honors Advisor:

Quarter in which the first 198 will be taken:

Please write the initial plan for your honors project below (continuing on the reverse side if necessary), or attach it as a separate sheet.

Advisor approval --- I approve this initial plan.

Advisor signature:

Honors students may count passing the two 198s as meeting one ICS or CS project course requirement, provided that the other project course is in a different area.

Which other project course do you plan to take to meet the project course requirement for ICS and CS majors?
